

You Registered for Classes... Now What?

- Check your class schedule in myFSCJ to verify that everything is correct.
- Ensure that you are aware of the tuition payment deadlines: www.fscj.edu/admissions-aid/registration/how-to-pay-and-payment-due-dates
- Payment can be submitted online through your myFSCJ account. If you are using financial aid and completed your FAFSA, check your "To-Do" list in myFSCJ to see if anything else still needs to be completed or submitted.
- Determine what class materials will be required. You can access the materials link by going into your class schedule and clicking on the class section number.
- Check your FSCJ email regularly for any updates and begin to monitor Canvas a few days prior to the scheduled start date of your class for information and communication from the professor. A class might not show up in Canvas until the first scheduled day.
- The first few days of each class session (A, B or C) allow for dropping or changing a class (add/drop period). Be aware of the deadline for each session. You can also change your class prior to the start of the class without any effect on your academic record or GPA.
- If you have additional questions, such as about your classes or financial aid, you can request an appointment online with the appropriate advisor: www.fscj.edu/advising
- Keep an eye on FSCJ's COVID-19 webpage for updates: www.fscj.edu/covid-19
