

To support the wireless access needs of our students, FSCJ has installed outdoor access points at each campus and center. These access points should provide plenty of coverage from the parking lots and outdoor areas so students may attend virtual classes and complete assignments as necessary. The outdoor areas noted below are open for student wireless access on Monday through Friday between the hours of 7 a.m. and 9 p.m. unless otherwise noted.

Below are the best locations for FSCJ's outdoor wireless access:

- [Cecil Center](#) – Main Parking Lot, Near Front Entrance of Building A
